

Nazis are capitalizing on the swastika's traditional meaning among Africans

BLACK NAZIS: Fritz Delfs, leader of the Nazis in Tanganyika, the former German East Africa that Hitler is demanding, soft-pedals Aryan supremacy credo in propounding Nazi ideology, and capitalizes traditional use of the swastika by the natives as a symbol of fertility. Large percentage of population is half-caste, and half-breeds, quadroons and octoroons are included in the count that is the basis of Berlin's claim that a third of the white population of Tanganyika is German. Even full-blooded Negroes are sporting swastika symbols and party buttons.
