"I got one of your trench coats in August. Since coming out here I have had occasion to test it in rain heavier by far than anything one ever gets in France. It has never let any in at all, nor has there been any sign of damp on the inside.

"The seatless shorts are also good."

"I want a new 'Aquascutum' sleeping bag with kapok lining. I bought one in 1915, and brought it to France when I came originally in July 1915. It has been in continual use ever since and I have liked it immensely. It certainly justifies your claims of being water and bug proof."
